

**BUFFALO CREEK ELEMENTARY**  
**PARENT, STUDENT AND TEACHER COMPACT 2022 - 2023**  
*Spring Branch Independent School District*

**BCE is committed to high levels of learning for every child, ensuring that each child is successful in reaching their potential.**

When families and schools work together....Students thrive! BCE and SBISD believe that families and schools are equal partners in student success. Each plays a critical role as a champion for every child's success.

Our annual Home-School Compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home including:

- Links to academic achievement goals
- Focuses our efforts on student learning
- Shares strategies that staff, parents and students can use
- Explains how teachers and parents will communicate about student progress.
- Describes opportunities for parents to observe, volunteer, and participate in the classroom

The parents, students and staff have worked together and shared ideas to develop this school-parent compact. Title I meetings are held during the day and in the evening each year to review and revise the compact based on the school's academic achievement goals and students' needs. Parents are welcome to provide input during these meetings however, they are also encouraged and welcomed to provide feedback at any time. All feedback is welcomed and will be collected and reviewed during the annual revision meeting with parents.
